

GeoTeams

Lead: GeoTeam Coordinator (*see Leadership Roster for Contact Information*)

Reports to: Deputy Supervisor of Programs

Last Updated: 07/06/17

The operational area of Beaverton CERT is the same as the Beaverton School District. The area is divided into seven sections: Blue, Green (Gray is a small subsection inside of Green), Orange, Red, Teal, and Yellow. A map of CERT Boundaries & Sections is included in this packet. It is also viewable from the CERT Home page at [to be determined](#):

-

Each colored geographic section has a Team Lead that reports to the GeoTeam Coordination Unit Lead. Team Leads serve as a conduit for questions, suggestions, comments, and concerns between their section members and Leadership. Consult the Leadership Roster for contact information of the Team Lead in your geographic section.
